Feel this touch and you will scream as your organs inside start to bleed and as you fall you will hear my laugh cause my handprint brands an epitaph.

With a strike so fast that you are dead they say it feels just like a hundred legs so line them up, I'll give them what they've earned if they refuse what I've come to learn. "You've got it".

The ground hits your back with a centipede attack one hundred scars you'll show after centipede lets go.

Money from the poison clan, I will claim it with another hand since my greed is shared with number two, confrontation speaks the words "I'm on to you". (you) can help, let's make this smooth use your sword and skills to prove, "I'm right behind you".

I'm number one, I'm your boss, get the money and let's

"You've got it".

run.

Your life won't come back after centipede attack. The floor collects your bones after centipede lets go.

Look at the centipede as he crawls around on the ground,

moving in darkness, his legs find prey without a sound. Look at the centipede. Look at the centipede as he moves without a sound.

Look at the centipede as he moves around underground moving in darkness his legs find prey without a sound.

With one hundred legs you will lose this fight and my slithering friend bites.

Guilty, but let go. We must find someone to take the blame.

So, let's blame the toad for MURDER!

The ground hits your back with a centipede attack. A fatal wound you will shot when the centipede lets go.

Feel this touch and you will scream as your organs inside start to bleed and as you fall you will hear my laugh cause my handprint brands an epitaph.

Murder charge I won't confess and a bribe takes the pressure off my chest. I'm number one, scholastic enemy.

Taste the venom of the centipede.

You've got it.
