

Crazy

Shawn Mendes

Think I don't need a watch to tell the time
Think I don't need the sun to help me shine
Think I don't need a girl to be alright
Guess I didn't know

That I didn't need shoes on my feet
That I didn't need a bed to fall asleep
That I didn't need love to be complete
Guess I didn't know

That I just got this crazy feeling
I've been making someone wait for me, for me

You're all I think about when I'm awake
Part of every night and every day
And everything's a mess when you're away
Now I know

All of this is getting really old
I'm having trouble sleeping on my own
Feeling like a house but not a home
I want you to know

That I just got this crazy feeling
I've been making someone wait for me, for me

Guess I need a watch to tell the time
Guess I need the sun to help me shine
And I really need you in my life
Now I know

That you give me this crazy feeling
And you won't have to wait no more for me, for me
And I just got this crazy feeling
I've been making someone wait for me
