Shawn Mendes

Dream, dream, dream, dream

Hello, hello, hello  
Can I hear an echo  
Purple red and yellow  
I can't wait to get home  
Head down on the pillow  
Holding you is all I think about

You're asleep in London  
I wish you were coming  
Back home to me darling  
You're too far away  
Count back from one hundred  
Holding you is all I think about

Oh baby  
When I'm apart from you  
I just shut my eyes  
All I have to do

Is dream, dream, dream, dream  
About you  
Dream, dream, dream, dream  
About you  
(About you, about you, about you, about you)

Hello, hello, hello  
Walking through a meadow  
Full of sunflowers, picking off the petals  
I don't wanna wake up without you laying next to me  
Yeah  
I'm no good at waiting  
All the separation  
Feeling suffocated  
I just need to breathe  
And I'm starting to hate it  
I can't wait to fall asleep

Oh baby  
When I'm apart from you  
I just close my eyes  
And all I have to do

Is dream, dream, dream, dream  
About you  
(About you, about you, about you, about you)  
Dream, dream, dream, dream  
About you  
(About you, about you, about you, about you)

Dream, dream, dream, dream  
About you  
(About you, about you, about you, about you)

Dream, dream, dream, dream  
About you

Dream, dream, dream, dream  
About you
