Show You

Shawn Mendes

You can't walk the streets at night You're way too short to get on this ride No I'm not, no I'm not, you tryna tell me that I I gotta be home when the street lights glow You can't watch your TV show I will watch what I wanna watch No, I won't listen to you Do what I wanna do

And I will walk this road ahead One hundred miles on my hands Do I need to show you? Guess I gotta show you And if you don't believe me now I'll flip the whole world upside down Do I need to show you? Guess I gotta show you

Watch me swim across this lake Fly through the sky in my Superman cape Watch me walk across this wire Tip toe The coals of a blazing fire Watch me fly this kite in the rain I'll jump rope with my ball and chain Come knock on my house of cards If it falls I will build it from the start I won't listen to you, Do what I wanna do

And I will walk this road ahead One hundred miles on my hands Do I need to show you? Guess I gotta show you And if you don't believe me now I'll flip the whole world upside down Do I need to show you? Guess I gotta show you

Do I really gotta show you now? Really, really, really gotta show you now? Do I really gotta spell it out? I-T, I spelled it out If you really wanna see me now. Watch me walk across the clouds I don't know what you heard about, listen to me yell it loud Do I really gotta show you now? Really, really, really gotta show you now? Do I really gotta spell it out? I-T, I spelled it out If you really wanna see me now Watch me walk across the clouds I don't know what you heard about, seems like they all knock it down

And I will walk this road ahead

One hundred miles on my hands Do I need to show you? Guess I gotta show you And if you don't believe me now I'll flip the whole world upside down Do I need to show you? Guess I gotta show you

Do I really gotta show you now? Really, really, really gotta show you now? Do I really gotta spell it out? I-T, I spelled it out If you really wanna see me now. Watch me walk across the clouds Do I need to show you? Guess I gotta show you
