

Love Me Now

Sheppard

We're ticking like a time bomb
In a minute we'll be going off
You're acting like you can't come
Banging on your own drum

I don't remember why we were fighting
She said he said somebody was lying
Let's hit reset 'cause babe it's not over yet

So before the ship goes down
And the ashes hit the ground
Hurry time is running out
I need you to love, love me now
Love, love me now
Love me now
Love, love me now
Love me now
Love, love me now

We're drowning in the downpour
But I'm hoping for the encore
Getting tired of the tiptoe
But I'm not ready to let it go

Our of the [?] into the fire
You're just a drug and I can't deny it
Let's hit reset 'case babe it's not over yet

So before the ship goes down
And the ashes hit the ground
Hurry time is running out
I need you to love, love me now
Love, love me now
Love me now
Love, love me now
Love me now
Love, love

I don't know how, I don't know why
I don't know where to begin
But I'm not ready for goodbye and I'm not throwing it in
I gotta hope, I gotta try, I gotta know for the sake of us

So before the ship goes down
And the ashes hit the ground
Hurry time is running out
I need you to love, love me now
So before the ship goes down
And the ashes hit the ground
Hurry time is running out
I need you to love, love me now
Love, love me now
Love me now
Love, love me now
Love me now
Love, love me now

(Love me now)
(Love, love me now)
(Love me now)
(Love, love me now)
