

I Know

Shift K3Y

I know what you're looking for
But I'm not that guy and I'm not that type
Twilight you haven't seen before
Cause I'll make you up just a little bit more

I know what you're looking for
But I'm not that guy and I'm not that type
Twilight you haven't seen before
Cause I'll make you up just a little bit more

Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know

I know what you're looking for
But I'm not that guy and I'm not that type
Twilight you haven't seen before
Cause I'll make you up just a little bit more

Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know

I know what you're looking for
But I'm not that guy and I'm not that type
Twilight you haven't seen before
Cause I'll make you up just a little bit more

I know what you're looking for
But I'm not that guy and I'm not that type
Twilight you haven't seen before
Cause I'll make you up just a little bit more

Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know
Type, I know, I know, I know
