

There's No Such Thing as Love

Shirley Bassey

There's no such thing as love
There's no such thing at all
There's no such thing as love
It's just a word that kids write on a wall
There's no such thing as loves
Or sweet songs
It's just the same old rhyme
The poets chime and poets could be wrong

There's no one just for me
To me they're all the same
They're just an hours fun
And then I run, to me it's just a game
There's no such thing as blue skies above
'Cause since you said goodbye
There's no such thing, there's no such thing as love

They're just an hours fun
And then I run, to me it's just a game
There's no such thing as blue skies above
'Cause since you said goodbye
You left me high and dry
'Cause since you said goodbye
There's no such thing, there's no such thing as love
