

# You Might Need Somebody

Shola Ama

(Need Somebody)  
When somebody reaches for your heart  
Open up and let them through  
Cause everybody needs someone around  
Things can tumble down on you  
You'll discover when you look around  
You don't have to be alone  
Just one lover is all you need to know  
When you're feeling all alone  
Oh, you might need somebody  
You might need somebody too  
(You might need somebody too)  
You might need somebody  
You might need somebody too  
(You might need somebody too)  
Yeah yeah  
Ohhhh  
Baby baby  
If there's fire stirring in your heart  
And you're sure its strong and right  
Keep it burning through the cold and dark  
It can warm the lonely nights  
Oh, You might need somebody  
You might need somebody too  
(You might need somebody too)  
You might need somebody  
You might need somebody too  
(You might need somebody too)  
Oh, you might need somebody too  
(Need somebody)  
Yeah  
Oh, you're gonna need somebody too  
(Need somebody)  
Yeah yeah  
You might need somebody too, baby  
(Need somebody)  
Oh I do  
Oooh, I know I do  
Need somebody too...
