

Do You Love Texas?

Shooter Jennings

Do you love Texas? (Hell yeah!)
So do I
She's as tough as 711
As sweet as that chocolate pie
Oh, brother don't you cuff her
'Cause she's ornery when she's high
Do you love Texas? (Hell yeah!)
So do I

Well the beer just tastes better
Down in Texas, don't you know
And them ol' cowboy singers
Always steal the show
From Waylon to Willie
From Lubbock to Gruene Hall
From 'bonnet Bowl to Alex Jones
You can say they got it all

Do you love Texas? (Hell yeah!)
So do I
She's as tough as 711
As sweet as that chocolate pie
Oh, brother don't you cuff her
'Cause she's ornery when she's high
Do you love Texas? (Hell yeah!)
So do I

Here comes Fort Worth Fannie
She's a-fillin' out her jeans
She's full of so much melody
She's bustin' at the seams
She's the queen of a big white elephant
The queen of a cowboy's dream
Brother Ox, pour us some shots
Before I wake up in Abilene

Do you love Texas? (Hell yeah!)
So do I
She's as tough as 711
As sweet as that chocolate pie
Oh, brother don't you cuff her
'Cause she's ornery when she's high
Do you love Texas? (Hell yeah!)
So do I

To all the fine girls in Houston
In your Galveston Beach homes
To little Hank and Little Elle
To throw 'em in this country storm
Yeah, get yourself a t-shirt
Looking back before you go
And say 'Hey' to Ray in Austin
And remember the Alamo

Yeah...
Do you love Texas? (Hell yeah!)
So do I

She's as tough as 711
As sweet as that chocolate pie
Oh, brother don't you cuff her
'Cause she's ornery when she's high
Do you love Texas? (Hell yeah!)

So do I

Do you love Texas? (Hell yeah!)

So, mmm... do I
