

Beautiful Reality

Sia

I sometimes believe that everything I dream
Will one day be my reality
I sometimes think that every move I make
Will gather up and shape my reality

I can only dream
I can only hope
That one day I will see
A beautiful reality
I can only wish
And I can only want
That one day I will see
A beautiful reality

I sometimes search for signs my dreams can work
Until I stand alert with my reality
I sometimes look in the paradise by the book
To give back what I took from my reality

I can only dream
I can only hope
That one day I will see
A beautiful reality
I can only wish
And I can only want
That I will one day see
A beautiful reality

I can only dream
I can only hope
That one day I will see
A beautiful reality
I can only wish
And I can only want
That I will one day see
A beautiful reality

Beautiful, beautiful reality
A beautiful reality
Beautiful, beautiful, beautiful, beautiful
Beautiful reality
