We like you
This is a game already won
The time has come, stop trying

We like you
This is a game already won
Your time has come, stop trying

Take a break, you must be tired from the strain Take a break and let us carry your pain Please slow down, you are making my head spin Please slow down, you have all I have to give

We like you
This is a game already won
The time has come, stop trying

We like you
This is a game already won
The time has come, stop trying

You don't know, you have everything you need You won't grow 'til you get down on your knees Say goodbye and do not dissect your lies Say goodbye, there's no need to apologize

We like you
This is a game already won
The time has come, stop trying

We like you
This is a game already won
The time has come, stop trying

We like you
This is a game already won
The time has come, stop trying

We like you
This is a game already won
The time has come, stop trying

We like you
This is a game already won
The time has come, stop trying

We like you
This is a game already won
The time has come, stop crying
