

If I show you I'm fragile
Would you go ahead and find somebody else?
And if I act too tough know that I care about you
I'm honest, no offense

No, I could never fake it
Like players are always playing
Arrest me if I hurt you
But no apologies for being me

I just wanna be pure
You know I'm terrible at putting up a show
That's what you wanted me for
So I get pissed off when you ask me to be more

Ooooooh, oooooh
I just wanna be raw
Ooooooh, oooooh
I just wanna be raw
I just wanna be raw

Keeping up appearances
But sometimes all we need is a little break
Regret the stupid shit I said
I hope you forgive me any day

No, I could never fake it
Like players are always playing
Arrest me if I hurt you
But no apologies for being me

I just wanna be pure
You know I'm terrible at putting up a show
That's what you wanted me for
So I get pissed off when you ask me to be more

Ooooooh, oooooh
I just wanna be raw
Ooooooh, oooooh
I just wanna be raw
I just wanna be raw

That's what you wanted me, that's what you wanted me
That's what you wanted me for?
No, I just wanna be, no, I just wanna be
I just wanna be raw
Arrest me if I hurt you
But no apologies for being me

I just wanna be pure
You know I'm terrible at putting up a show, oh
That's what you wanted me for?
So I get pissed off when you ask me to be more
Oh, I just wanna be raw
Oh, I just wanna be raw
I just wanna be raw
