

# Remember When

Silencer

Remember, remember  
Remember remember  
If I broke your heart  
Baby girl remember when we used to talk  
I'm sorry if I broke your heart, if I broke your heart baby girl

[Bullet Nasty:]

Yeah yeah, I remember girl the first time that I met you  
You werent that real quiet yet shy but I still had to  
Get yo number so we can kick back together later  
Maybe go to a movie or sip some wine baby girl let's do watever  
Girl you so fine I wish I could turn back the time  
And take back wat I did I just that I could press rewind  
But I know that I broke your heart girl  
I wish we could rekindle our love and never fall girl

[Chorus:]

Baby girl remember when we used to talk  
I'm sorry if I broke your heart, if I broke your heart baby girl  
Remember when we used to talk  
I'm sorry if I broke your heart, if I broke your heart baby girl

[? :]

So many heart breaks  
To many lies  
I feel like I'm going crazy  
I'm feeling empty inside  
I'm sorry baby yes I no I broke your heart  
Now I remember clearly I know I tore it apart  
You forgave me girl  
And you took me back  
Then I did u dirty snuck around behind your back  
I don't no how to say this  
But I'm feeling you girl  
I regret wat I did cause I need you back in my world

[Chorus]

[Mr.Sancho:]

Baby I remember when we used to talk  
And I'm so sorry that I had to break your heart  
Well baby things for the better  
With the type of work we had no time together  
Baby I wasn't gonna lead you on  
So I had to write you this song  
So you can understand and appreciate and honest man  
You were a one night stand but baby I consider you more than a friend  
Think about you all the time  
When I'm on the rode baby on the grind  
Wanna see you from time to time  
Baby get at me so we can bump and grind

[Chorus]
