### Silent Stream of Godless Elegy

When you fly - like a bird - like a string - you are  
When you tune - like a wood - like a flute - across sky

I'm playing - and flying - like a bird - like a string  
I'm stretching - I'm sounding - like I'm in the wind  
Look at me boy when I dance

I'm dancing - blossoming - like a flying leaf  
I'm basking in the sunshine - boy look at me  
Look at me boy when I smile  
Look at me boy when I dance

Look at me boy - I'm singing  
Look at me boy - I call wind  
Like a forest like a flute  
I'm hiding under tones  
Soil and sound - bang and tree  
Will stroke me when I'm dancing  
Soil and sound - bang and tree  
Will stroke when I dance

Look at me boy - I smell sweet  
Look at me boy - I'm breathing  
Like a meadow I turn green  
Like a flower never seen

Playing - flying - like a string  
Stretching - sounding - in the wind

Look at me boy - I'm singing  
- I look at you - girl - singing  
Look at me boy - I call wind  
- I look at you - girl - call wind  
Like a forest like a flute  
- Like a forest like a flute  
I'm hiding under tones  
- you're hiding under tones  
Soil and sound - bang and tree  
- Soil and sound - bang and tree  
Will stroke me when I'm dancing  
- will stroke you when you dance  
Soil and sound - bang and tree  
- Soil and sound - bang and tree  
Will stroke me when I dance  
- stroke you when you dance...
