

Astronaut

Simple Plan

Ami

1. Can anybody hear me?

F G

Am I talking to myself?

My mind is running empty

In the search for someone else who doesn't look right through me.

It's all just static in my head

Ami

G

Can anybody tell me why I'm lonely like a satellite?

Ami

F

- R: Cause tonight I'm feeling like an astronaut

G

C

Sending SOS from this tiny box

Ami

And I lost all signal when I lifted up

G

Now I'm stuck out here and the world forgot

Can I please come down, cause I'm tired of drifting round and round

Can I please come down?

2. I'm deaf from all the silence

Is it something that I've done?

I know that there are millions

I can't be the only one who's so disconnected

It's so different in my head.

Can anybody tell me why I'm lonely like a satellite?

- R: Cause tonight I'm feeling...

Now I lie awake and scream in a zero gravity

And it's starting to weigh down on me.

Let's abort this mission now

Can I please come down?

So tonight I'm calling all astronauts

Calling lonely people that the world forgot

If you hear my voice come pick me up

Are you out there?

Cause you're all I've got!

- R: Cause tonight I'm feeling like an astronaut

Sending SOS from this tiny box

And I lost all signal when I lifted up

Now I'm stuck out here and the world forgot

- R: Cause tonight I'm feeling like an astronaut

Sending SOS from this tiny box

To the lonely people that the world forgot

Are you out there?

Cause you're all I've got!

Can I please come down?

Cause I'm tired of drifting round and round.

Can I please come down?

Can I please come down?
Cause I'm tired of drifting round and round.
Can I please come down?

Can I please come down?
Cause I'm tired of drifting round and round.
Can I please come down?
