

# Everytime

## Simple Plan

**C**  
1. It was 3 a.m. when you woke me up  
**Ami** **F**  
Then we jumped in the car and drove as far as we could go  
**G**  
Just to get away  
**C**  
We talked about our lives until the sun came up  
**Ami** **F**  
And now thinking about how I wish I could go back  
**G**  
Just for one more day  
**C**  
One more day with you

**C**  
R: Everytime I see your face  
**Ami**  
Everytime you look my way  
**F**  
It's like it all falls into place  
**G**  
Everything feels right  
**C**  
Ever since you walked away  
**Ami**  
You left my life in disarray  
**F**  
All I want is one more day  
**G** **C**  
Cuz all I need is one more day with you

2. When the car broke down we just kept walking along  
Till it hit this town there was nothing there at all  
But that was all ok  
We spent all our money on stupid things  
But if I look back now Id probly give it all away,  
Just for one more day  
One more day with you

R: Everytime I see your face  
Everytime you look my way  
Its like it all falls into place  
Everything feels right  
Ever since you walked away  
You left my life in disarray  
All I want is one more day  
**G** **F**  
Its all I need one more day with you

**F - Ami - B/C - C - G - - - F - Ami - B/C - C - G - - - C**  
**C**

3. Now Im sitting here  
Like we used to do  
**Ami**  
I think about my life

**F**

And now there's nothin I won't do

**G**

Just for one more day
