

A Song for You

Simply Red

I've been so many places in my life
and time
I've sung a lot of songs
I've made some bad rhymes
I've acted out my life in stages
With ten thousand people watching
But we're alone now and
I'm singing this song to you

I know your image of me is
what I hope to be
I've treated you unkindly
but darlin' can't you see
There's no one more important to me
Baby can't you see through me
Cause we're alone now and
I'm singing this song to you

You taught me precious secrets
of the truth withholding nothing
You came out in front
when I was hiding
Now I'm so much better
and if my words don't come together
Listen to the melody
cause my love is in there hiding

I love you in a place
where there's no space or time
I love you for my life
you're a friend of mine
And when my life is over
Remember when we were together

We were alone
and I was singing this song to you
We were alone
and I was singing this song to you
We were alone
and I was singing this song to you
