

BadBootz

Simply Red

I'm talking 'bout
Those bad, bad booties
(Bad, bad booties)
My rootie, tootie, tooties

Playing with my mind
Moving my dreams so far outta line

Stomping with my feet
Smiling merrily
As I walk on down the street

In my bad, bad booties
(Bad, bad booties)
My rootie, tootie, tooties
(Rootie, tootie, tooties)

Well come along with me
Tell me, what do you see?
I see smiling faces
Move your lips in time
Get up, get those hips
Swinging to the rhyme

Yes, I'm stomping with my feet
Smiling merrily
As I walk on down the street

In my bad, bad booties
(Bad, bad booties)
My rootie, tootie, tooties
(Rootie, tootie, tooties)

Well come along with me
Tell me, what do you see?
I see smiling faces
Move your lips in time
Get up, get those hips
Swinging to the rhyme

Stomping with my feet
Smiling merrily
As I walk on down the street

With my bad, bad booties
(Bad, bad booties)
My rootie, tootie, tooties
(Rootie, tootie, tooties)
Bad, bad booties
(Bad, bad booties) I'm bad
That's right
(Rootie, tootie, tooties)
We're bad
(Bad, bad booties)
So bad
(Rootie, tootie, tooties)
I'm bad, haha

(Bad, bad booties)
Yeah, yeah, yeah-yeah-yeah
(Rootie, tootie, tooties)
Yeah
