Very Far From Home

Sinéad O'connor

I don't know where I'll go
When I go
I only know
It's very far from home

And I don't know where you are
Either, but I know
You're very far from home
A long for you
I see you in my dreams
So clearly
But when I wake up I'm lone
And don't know where you've gone
But I know
It's very far from home

No one knows where I'll go
When I go
Oh they don't know I'm so far from home
And it's my fault, but you got lost
Let me create something other than trouble
Oh let me find you
Let me mind you
Even if it has to be
Very far from home

I long for you
But see you in my dreams
So clearly
But when I wake up I'm alone
And I don't know where you've gone
But I know it's very far from home
It's very far from home
