

# Black Slithering Mass

Sinister

Nocturnal beings  
Summoning chaos  
Blasphemous laughter  
Black slithering mass

Feeble man hiding behind the cross  
Praising their savior that once was

Darkness descends upon their very souls, invert the cross.  
Annihilate!, thy book of lies will be erased, accept, fate, exterminate!

Dragging out the helpless ones, branding those of sin,  
Blasphemous fire raging within

Asphyxiating darkness  
Pearly gates of heaven  
Embrace damnation  
Biblical revelation  
Apocalypse salvation  
Accept fate exterminate!

Nocturnal beings, summoning chaos  
Blasphemous laughter, black slithering mass
