

Wires in the Way

SiR

I'm really glad I got your voicemail 'cause this has been really going too far and I think this is best that we just don't see each other, uh

Ooh, ooh

Yeah I don't really know what to say

I don't really know what to say

I knew the rules of engagement before I started playing for keeps

Thought about you all last week

I know we didn't speak

But I never thought the weather was this bleak

I can see we lost our way

Never felt like we were here to stay

But it doesn't mean I didn't feel anything at all

Maybe this is really what I need

A little time to do what's right for me

But it doesn't mean that I won't answer when you call

I hope you grow (Oh, oh, oh)

I hope you go

Oh, oh

Oh oh, ooh, oooooh

Oooooooh

Oh, oh, oh, oooooh, ooh, ooh
