

# Rock N Roll

Sister Sin

Well here, babe, look at you, and go with someone else,  
Turned out like all the others, leave me by myself,  
That's how it works I guess, and you like all the rest  
Guess I can handle it, if that's the way it is

I'm in love with rock 'n' roll, it satisfies my soul  
That's how it has to be, I won't get mad  
Rock 'n' roll, I judge Rock 'n' Roll to say  
it ain't so bad  
Rock 'n' roll

I never been a one to have no stedy girl,  
I love the way I live, I'm runnin' round the world  
I like to fool around, love to tear 'em down  
And if I leave, you love to miss me when I'm gone

I'm in love with rock 'n' roll, it satisfies my soul  
That's how it has to be, I won't get mad  
Rock 'n' roll, I judge Rock 'n' Roll to say  
it ain't so bad  
Rock 'n' roll

Give it to me!

Rock 'n' roll

I can't imagine growin' old with anyone  
Marching to a different drum, I hear a different song  
I swear I love 'em all, I don't care if they're small  
I don't care if they're tall, love 'em anyway

I'm in love with rock 'n' roll, it satisfies my soul  
That's how it has to be, I won't get mad  
Rock 'n' roll, I judge Rock 'n' Roll to say  
it ain't so bad  
Rock 'n' roll
