

# I Don't Want to Say Goodbye

Sister Sledge

It's tearing me apart  
To watch you go  
Believing with my heart  
And my soul  
That all I ever wanted  
Was loving you  
I never knew you'd  
Leave this way

Ooh I don't want  
To say good bye

You'd think by now  
I'd be fooled  
I don't want to say good bye  
So turn around  
And walk away  
Never look behind  
Cause I don't want to  
Say good bye

You're the only one  
Deep inside  
Why you want to run  
And hide  
Cause all I ever wanted  
Was loving you  
And all you've got to do is stay

Ooh I don't want  
To say good bye
