

# I'm a Good Girl

Sister Sledge

Oh! What is this feeling I feel?  
I don't like it no, honey.

I don't know what's come over me.  
I must lose control.  
You see I'm a good girl.

Oh! What is this feeling I feel?  
I don't like it no, honey.

I don't know what's come over me.  
I must lose control of my senses.

If, then, when, I don't want you baby,  
I can't stop the feeling.  
It just seems to happen.

And if, then, when  
I don't need you baby.  
I can't help myself.  
You always see through it.

I don't know what is this feeling I feel.  
I don't like it no, honey.

I don't know what's come over me.  
I must lose control.  
You see I'm a good girl.

Oh! What is this feeling I feel?  
I don't like it no, honey.

I don't know what's come over me.  
I must lose control of my senses.

If, then, when, I first met you boy,  
You know it'd be good.  
Oh, but never like this.

And if, then, when you're so bad.  
I can't hurt you, no  
'Cause I'll just hurt myself.

I don't know what is this feeling I feel.  
I don't like it no, honey.

I don't know what's come over me.  
I must lose control.  
You see I'm a good girl.

Oh! What is this feeling I feel?  
I don't like it no, honey.

I don't know what's come over me.  
I must lose control of my senses.

Oh! What is this feeling I feel?

I don't like it no, honey.

I don't know what's come over me.  
I must lose control.  
You see I'm a good girl.

Hey. Ooh. Ah.

What is this feeling I'm feeling?  
I don't like it. I don't like it.  
Tell me what, what's come over me.  
I'm a good girl.
