## Sister Sledge

french intro...
look in her face, can you see through?
all the deep mascara and the red rouge
she'll do, to make her beautiful
does her lipstick do the trick?
woohoo hoo

she's an il macquilage lady hiding in a mask of fantasy she's an il macquilage lady painting on illusions of what she really wants to be

glamour girl, needs a paint brush all it takes, erase and make a better face take time, she can be so fine makeup, magic makeup he'll adore hoo hoo
