Sister Sledge

Do you wanna?  
Do you wanna, everybody?  
Do you wanna?  
Do you wanna, everybody?

Smile  
It will make you feel better  
Smile  
Share some love with me  
Smile  
When you're feeling under the weather  
Smile

It's a perfect melody

Have you ever stop to wonder  
What this world is coming to  
Sisters and brothers  
Yes, the time is up to me and you  
And all this world could be a brighter place  
Here to show that you care  
A happy feeling wears a happy face  
Just take the time to share, yeah, yeah

There's not enough love around  
Sometimes you just don't feel like dealing  
Let this troubled world that weighs you down  
No, no, it may not change the way of the world  
But it sure good to know  
That reaching out with your love deep within
