

## I Can't Help It (if I'm Still In Love With You)

**Skeeter Davis**

Today I passed you on the street and my heart fell at your feet  
I can't help it if I'm still in love with you  
Somebody else walked by your side and she looked so satisfied  
I can't help it if I'm still in love with you.

A picture from the past came slowly stealing  
As I brushed your arm and walked so close to you  
Suddenly I've got that old time feeling  
I can't help it if I'm still in love with you.

It's hard to know another's lips will kiss you  
And she'll hold you just the way I used to do  
Heaven only knows how much I miss you  
I can't help it if I'm still in love with you.

I can't help it no I can't help it  
I can't help it if I'm still in love with you...
