

# Just When I Needed You

Skeeter Davis

Just when I needed you, you left and went away  
You made my life so blue both night and day  
You left me here behind, with a troubled worried mind  
So broken hearted too just when I needed you.

I cried, I cried, I prayed, I tried  
To forget you and never call your name  
What a shame, what a shame you were the one who was to blame  
You're the one who proved untrue just when I needed you.

No matter where you wander, no matter where you go  
There's a longing in my heart for only you  
I love you just the same and I want you back again  
Although you proved untrue just when I needed you.

I cried, I cried, I prayed, I tried  
To forget you and never call your name  
What a shame, what a shame you're the one who was to blame  
You're the one who proved untrue just when I needed you...
