C **Emi**
1. Everyday when I'm away
Ami **F**
I'm thinking of you
Everyone can carry on
Except for we two

D7 **C**
X: And you know that our love
D7 **C**
And you know that I
D7 **C** **G**
And you know that our love won't die

Ami **C**
R: And it won't even show
F **Emi** **Dmi** **C**
And no-one will know
Ami **C**
One little wave
F **Emi** **Dmi** **C**
To say you'll behave
Ami **C**
It won't even show
F **Emi** **Dmi** **C**
How far love can go

2. Everyday when I'm away
And there's been a few
Every land I need a hand
To help me come through

X: And you know...

R: And it won't even show...

Solo...

X: And you know...

R: And it won't even show...
