We're fighting a war we can't win But it's a war we can't afford to lose Corrupt officials play the game And America's habit is to blame 333 ??? Motherfuckers don't deserve to live If they give violence that's what we'll give Casual user snorting lies While another innocent person dies Cheap thrills blood spills It's a no-win-war and we foot the bill But there's no way to stop the flow Watch your children's habit grow Intimidation is the game. Cut them down they're all the same Send em all to hellâ?
