

That did it

Sleigh Bells

That did it, that did it

You's a cocky motherfucker cause you love to run your mouth
They put me on the track cause they know I run this out of town
So if your head's big then I aim at it, better chill with all o
f that talk
Cause I go for miles, like a nine to five, and I still ain't ta
ke a day off
I be on fire like I am in hell, bitches want out but I can't gi
ve 'em bail
Swear that I'm tired they humming, they here when I'm coming li
ke
