

## Butcher's Hook

Slipknot

Contrite - Commercial - Arrogance - Leprosy  
Consume The Bitch - The Fucker - Mindless - Like A Child  
For Pity's Sake - I've Had All That I Can Take  
We Try - But In The End We'll See  
There Are No More Codes  
Only Who Is Shit / And Who's Still Free  
I was gonna change the world with Honor and Aggression  
No one listened - no one cared  
All they saw was misdirection

GO AHEAD AND DISAGREE / I'm giving up again...

I DON'T WANT YOU ANYMORE  
I DON'T NEED YOU ANYMORE  
Fingerprint of God / Your new religions covet  
This vessel wasn't built to last  
But I will live forever/ you'll never have to say surrender  
Because you're so part of it  
My total honesty has no place for Tomorrow  
Guilty pleasures give me pain  
Tell my people I CAN'T FOLLOW

GO AHEAD AND DISAGREE / I'm giving up again...

You'll never CENSOR me / You'd better CHERISH me  
My REASON has a voice / Freedom's gone but we'll always have a  
CHOICE  
My PRESENT FUTURE TENSE / It doesn't make much SENSE  
I'm coming after you / FUCK YOU ALL I'M THE ONLY POINT OF VIEW

Violence and Dollar Signs / Another processed piece of shit  
You hide your fault in DIAMONDS and give away the only  
COST - you can't delay the inevitable  
LOST - don't understand the incredible path  
I'm losing ground - but I won't care when I go down

GO AHEAD AND DISAGREE / I'm giving up again...

I'M GIVING UP AGAIN
