

## Snuff

Slipknot

**Ami** **Emi F Emi**

Bury all your secrets in my skin

**Ami** **Emi F** **Emi**

Come away with innocence, and leave me with my sins

**Ami** **Emi F** **Emi**

The air around me still feels like a cage

**Ami** **EmiF** **Emi** **Ami**

And love is just a camouflage for what resembles rage again...

**Ami** **G** **Ami**

So if you love me, let me go. And run away before I know.

**Ami** **G** **Ami**

My heart is just too dark to care. I can't destroy what isn't t  
here.

**Ami** **G** **Ami**

Deliver me into my Fate - If I'm alone I cannot hate

**Ami** **G**

I don't deserve to have you...

**F**

My smile was taken long ago.

**F**

If I can change I hope I never know

I still press your letters to my lips

And cherish them in parts of me that savor every kiss

I couldn't face a life without your light

But all of that was ripped apart... when you refused to fight

So save your breath, I will not hear. I think I made it very cl  
ear.

You couldn't hate enough to love. Is that supposed to be enough  
?

I only wish you weren't my friend. Then I could hurt you in the  
end.

I never claimed to be a Saint...

My own was banished long ago.

It took the Death of Hope to let you go

So break yourself against my stones

And spit your pity in my soul

You never needed any help

You sold me out to save yourself

And I won't listen to your shame

You ran Away - you're all the same

Angels lie to keep control...

My love was punished long ago

If you still care, don't ever let me know

If you still care, don't ever let me know...
