

I Can't Dance With You

Small Faces

Which way you wanna go, ha
To the left or the right?
Which way you wanna go baby, huh
You know you're steppin' out of sight

Alright, I can't dance with you
Oh no
I can't dance with you
No, no, no
You know I can't dance with you
Alright, ha

I can't move to the way you're dancin'
You gotta see me move when it comes to romancin'
Baby look out, ha
Which way do you wanna go?

Which way do you wanna go?
To the left or the right?
Ha, ha
Which way do you wanna go, baby?
You know you're swinging everything in sight

Ow, I can't dance with you
Oh no
I can't dance with you
Look out girl
Ha, you know you
You know you make me wanna move
But I can't

I said, I can't move to the way you're dancin'
You gotta see me move when it comes to romancin'
Look out, ha
'Cos I'm on your trail
Hey, ha ,ha ha,ha yeah

I can't dance with you
Oh no
I can't dance with you
Oh no, no, no, no, no
No, no, no, no, no

You know I can't dance with you
Hey
I can't move to the way you're dancin'
Then turn down the light when it comes to romancin'
Look out, girl
Hey, you know you
You know you make me wanna move
Alright
You know I can't dancin'

Which way do you wanna go girl
To the left or the right?
Left or right?
Move it baby

While I'm still seein' you
Hey
Oh
You got to move to the right
Yeah, yeah
While I move to the left, girl
Ha, everything
Everything 'll be alright
