

Bye June

The Smashing Pumpkins

Bye June
I'm going to the moon
It better be by June
'Cause I'm going to the moon

So June
You'd better make it soon
I hope you make it June
'Cause I'm going to the moon

Bye June

Bye June
I'm going to the moon
I hope you make it soon
'Cause I'm waiting on this moon

Bye June
I hope you make it too
I'm wishing you're there too
I hope you make it June

Bye bye June
Hope you make it to the moon
