## **Sweet Sweet**

## **The Smashing Pumpkins**

Sweet sweet sweet little agony I don't know just where you've been But I'll take take take All that you have for me In sin Where are we going?

And they all want you to change And they all want you to change

And the sad sad sad All the sad faces drown In this town Where are we going?

And they all want you to change Where are we going?
And they all want you to change Where are we going?
