

Fool Proof

Smith Westerns

Tried to
Abide to
Every single room
We were lied to

It's fool proof
It's so true
It's fool proof
Sight, inside your -

Mind eye
In the high
All these rough times
When we get by

It's fool proof
It's so true
It's fool proof
Sight, inside your mind

Valentine or beauty queen
Blue eyes don't mean
Everything to me
Have you lost control?
Trying to hold on
But you didn't need to be
Have you lost control?
Trying to hold on
But you feel just as old

Up to
All of us
Weighted down
About one or two

It's fool proof
It's so true
It's fool proof
Sight, inside your minds

Valentine or beauty queen
Blue eyes don't mean
Everything to me
Have you lost control?
Trying to hold on
But you didn't need to be
Have you lost control?
Trying to hold on
But you feel just as old
