

To Be Of Use

Smog

Most of my fantasies are of
Making someone else come
Most of my fantasies are of
To be of use
To be of some hard
Simple
Undeniable use

Like a spindle
Like a candle
Like a horseshow
Like a corkscrew

To be of use
To be of use

Most of my fantasies are of
Making someone else come
On a horse
Over palms laid
On the threshold
On the coming day

Coming day
Coming day come
