

## Feelings Flowing

Smokey Robinson

When I look at you, what I do  
Is touch you with my eyes  
When love is real, I look and feel  
Like a sweet caress, ooh-ooh, baby  
Mentally, gently  
I kiss you with my mind  
And the bliss of a mental kiss  
Makes us both aware that we always share

Feelings flowing from everywhere  
Such a wonderful feeling flowing  
With tender loving care

The feel of your hand seems to expand  
The boundaries of touch, ooh...  
It flows so deep, oh, honey, you keep  
Getting better with time, oh, baby, yes, you do  
Whenever you come into  
Anyplace where I am  
As soon as you arrive, my heart comes alive  
It's a wonderful thing how you always bring

Feelings flowing from everywhere  
Everywhere, everywhere  
(Such a wonderful feeling flowing)  
An unspoken bond, it goes way beyond  
Just a physical affair

Oh, my darling  
Yes, baby, yes, baby, yes, baby

You always bring me  
Feelings flowing from everywhere  
Everywhere, everywhere  
(Such a wonderful feeling flowing)  
Yes, feelings flowing  
Tender loving care

Oh, feelings flowing from everywhere  
Everywhere, everywhere  
(Such a wonderful feeling flowing)  
An unspoken bond, it goes way beyond  
Just a physical affair  
Oh, baby, oh, baby...
