

# Forever Yours

Smokie Norful

Yeah yeah  
Oh  
Mm yeah

Look at all the mistakes I made before  
I've fallen short and done so much more  
But now I realize  
How I'm nothing without you on my side  
So now Lord here I stand  
And I'll never leave you again

Forever  
Forever  
With all my heart  
Every single part  
Forever  
Forever  
Mind, body, and soul  
You're all I'm living for  
Mm  
I'm forever yours

Yes I am

Today I lose myself  
And I give you every single breath  
With all that I thought I was made of  
Mm  
The greatest gift turned out to be Your love  
And now I don't I don't wanna run no more  
I'm taking advantage of this open door

Forever  
Forever  
With all my heart, every single part  
Forever  
Forever  
Mind, body, and soul You're all I'm living for

Yeah Lord  
I'm forever Yours

For what it's worth I don't deserve  
This chance you're giving me  
Such an opportunity  
To start again  
When it really makes no sense  
That you would love me  
In spite of what you see  
So now Lord  
Here I stand  
And I'll never leave you again, oh

Forever  
Forever yeah  
With all of my heart  
Every single part I'm here

Forever Yours  
Oh I present myself to you  
That's the least I can do oh  
Everything I have everything I am oh  
I give I give it all to you  
My mind, body, and soul  
Take complete control  
I'm Yours, I'm Yours, I'm Yours, I'm Yours yeah  
Forever  
Forever oh  
Or ever yeah  
Oh  
Everything I am  
My heart belongs to You
