

He's All I Need

Smokie Norful

Cause he's all I need
Oh with his mercy, power, and everything that sustains me, I tell you he's all, all I need

All, all I need
All, all I need
Jesus is all I need

I found in him a resting place, he's all I need
With the wealth of his love, power and everything that sustains me, Jesus all everything I need

All, all I need
All, all I need
Jesus is all I...

Jesus, he's all I need
Jesus, he's all I need

Can't live without him
Won't ever doubt him
Nobody like him, no

Can't live without him
Won't ever doubt him
Nobody like him, no

No
what's his name?

Jesus
