Just like ninevah that was headed for destruction God stepped in and he said
(not guilt)
You gonna live and you won't see the day of destruction
(ooh ooh ooh)

Just like daniel who was condemned to the lion's den God said
(not guilt)
You're gonna live
(you're gonna live yeah)

Just like david who was dearly beloved inspite of God said
(not guilt)

Yeah

Hey
(let's talk about you)

If you be honest with yourself tonight
If it hadn't been for the grace of God

You would've been
You could've been
Yeah
Listen

To the Liar
To the Cheater
To the Deciever
Even to the Believer

There is their point no condemnation to them that are in christ jesus

He's been over your house
(God did it)

Every grateful heart just bless his name
