

## Can't Find It

Smoking Popes

It's hard to be yourself with somebody else  
I practice a lot when I'm alone  
There was something I really wanted to show you

But I just can't find it  
I can't find it  
I can't find it anymore

We can say all the things we used to say  
I recall when we felt that way  
There was a time  
When you were a part of me

I'd come over tonight  
But I just can't get over you again

And sometimes  
We forget why it ended  
And then we have this problem again  
There was a place in my heart  
Where you once belonged

I can't find it anymore
