

## Deceived

Snapcase

Cause I love you  
I don't have to see  
Cause I don't know you  
I can't know me  
cause I don't know why  
But I'm willing to die  
Possessed to be  
I killed you in me  
And I'm to blame  
I killed the flame  
Persist to try  
I'm living a lie  
Living a lie  
Living  
my passions deceived  
My passions deceived  
My passions deceived  
My passions deceived
