Snoop Dogg

Ayy, it's too many to choose from, I can't pick (Ayy)  
I grab two, we dip out and take pics (Yeah)  
New car and I lose calm, my favorite (Ayy)  
Poolside, I skinny dip with gay chicks  
Nah, I don't usually be the one that amaze, man  
I do this all the time, it's part of my ventilation (Ooh, ah)  
Part of my ventilation (Ooh, ah)  
Part of my ventilation (Ooh, ah)  
It's part of my ventilation  
I do this all the time, it's part of my ventilation

Groupies hit my phone, they just tryna lick the lollipop  
I'm too cold, but I'm the type to make your body hot  
Feel like Keith Sweat, feel like Jodeci  
I need the winner's club, hope my ex don't notice me  
Can't save hoes, I just move to the next one  
Nonchalant ass, I could tell I just upset some  
Sick cup, big yup, treat 'em like my stepson  
Colora-rado make me have to come and flex some  
I be moving militant, yo' bitch be moving sideways  
I be getting paid shows, vacay on the holidays  
You be with them lame niggas, I be on the finer things  
Two step my way to a bag, get up out my way

Ayy, it's too many to choose from, I can't pick (Ayy)  
I grab two, we dip out and take pics (Yeah)  
New car and I lose calm, my favorite (Ayy)

Take a deep breath, now what you tryna do?  
Doggy Dogg with the shit, but I'm not a fool  
When I step up in the party, hoes know the rule  
And if the bitch can't swim, sit by the pool  
Light up a Backwood, I'm back, hood  
What's cracking? I keep a bad bitch with me, that's how I do it  
Caked up like it's my birthday, nigga, feeling good  
Then blow out the candles and wish a nigga would  
Fuck around with the reason your ho stuck around  
Niggas wanna act funny, I got a bunch of clowns  
I make money to play with, to stay rich  
Hoes wanna label the nigga, but say, hey bitch

Nigga say he run the building, well, it's time to renovate  
Forever paid, nigga, I can never hate  
Never catch me lacking even when I'm in a Escalade  
Pull up with them extra clips like a movie  
Lil baby bad, tell her bust it like a Uzi  
Fucking with the gang, but I'm knowing she a groupie  
Tell her no pics and videos, she fuck around and sue me  
Young Asian hood nigga from the ES

Ah shit, and these diamonds on me VS
