

# Life and Death

Snow Patrol

Everything is sudden  
Everything is suddenly alive  
All these situations  
Panic into such sweet calm  
I will turn the light on  
I will turn the light on everywhere  
And I watch you lift your head up  
Higher than it was before

Nowhere don't know how it ends  
For both of us  
But why would you need to know the end, my dear?  
So don't crash into everything  
To make your point  
Let's get, get out of the way of us

I want the lion  
You want the tiger  
Inside, inside  
Don't want to be this far  
Don't want to be so far from you

Now everything's forgiven  
Everything's forgotten, just look at you  
You're shining like a falling  
Shining like a falling sword

Nowhere don't know how it ends  
For both of us  
But why would you need to know the end, my dear?  
So don't crash into everything  
To make your point  
Let's get, get out of the way of us

I want the lion  
You want the tiger  
Inside, inside  
Don't want to be this far  
Don't want to be so far from you

I want the lion  
You want the tiger  
Inside, inside  
Don't want to be this far  
Don't want to be so far from you

Don't want to be this far  
Don't want to be so far from you  
Don't want to be this far  
Don't want to be so far from you
