1. Train this chaos turn it into light

E A E A

I've got to see you one last night

E A E A

Before the lions take their share

E A E A

Leave us in pieces, scattered everywhere

Give me a chance to hold on

C#mi E

Give me a chance to hold on

A H

Just give me something to hold on to

R: It's so clear now that you are all that I have

E A

I have no fear cos you are all that I have

E A

It's so clear now that you are all that I have

E A

I have no fear cos you are all that I have

2. You're cinematic razor sharp

A welcome arrow through the heart

Under your skin feels like home

Electric shocks on aching bones
