

Let Me Adore You

SoKo

Nude
Is how i like you best
Undress
Undress
Let me adore your face
Undress

Nude

Nude
Is how i like you best
Forget everyone else
Just rest
Your head upon my chest
Undress

Nude

Let me adore you
Simple and nude
Let me adore you
Nude

Move
Below the surface
Undress
Undress
Stay
Leaving is a disgrace
No shame

Nude nude nude
Let me adore you
