

Looking For Love

SoKo

Looking for
Young man with ambition
I got an offer, it will be a vision
Looking for monogamous love
I am free on Friday
And maybe Saturday

So you know, the position is for take
Put an option on it
While you can , before it's too late

Looking for love
Looking for, looking for, looking for
Someone to love
Looking for, looking for, looking for
Someone to love

Looking for
Woman with ambition
Who can complete me
And be the better part of me
I would like a real lover
Who will promise to be with me into infinity

Better hold me close
If you don't want me to break
I deserve kisses in the morning
And a warm body, who never gets enough of me

Looking for
Looking for, looking for, looking for love
Looking for
Looking for, looking for, looking for love
Looking for, looking for, looking for
Someone to love
Looking for, looking for, looking for
Looking for love
