

# Peter Pan Syndrome

SoKo

I have peter pan syndrome  
I refuse to conform  
I refuse to transform  
I have peter pan syndrome

I have peter pan syndrome

Oh don't take away my visions  
Don't take away my dreams

Oh don't take away my visions  
Don't take away my dreams

I am living it up  
I am living in a dream  
I am living in a dream  
I am living it up  
I am living in a dream  
I am living in living in a dream

I refuse to make kennies  
I refuse to be teased  
I refuse to be big  
I refuse to make us now

I refuse to make kennies  
I refuse to be teased  
I refuse to be big  
I refuse to make us no  
Let's be small

Oh let's be verbal

I rather be an idiot than me be a crybaby  
a crybaby, cry, baby, cry, cry  
crybaby, cry, baby, cry, cry

Oh don't take away my visions  
Don't take away my dreams

Oh don't take away my visions  
Don't take away my dreams

I am living it up  
I am living in a dream  
I am living in a dream  
I am living it up  
I am living in a dream  
I am living in living in a dream

I refuse to grow  
I refuse to get old  
I refuse to be serious  
Oh, I wanna be delirious  
I have a peter pan syndrome  
Oh, peter pan syndrome

Oh don't take away my visions  
Don't take away my dreams

Oh don't take away my visions  
Don't take away my dreams

Oh don't take away my visions  
Don't take away my dreams

Oh don't take away my visions  
Don't take away my dreams

(Dreams, dreams, dreams, dreams, dreams, dreams)  
(Dreams, dreams, dreams, dreams, dreams, dreams)
